

UPDATED UNIFORM BANK POLICY

CSMS students will be allowed to borrow a uniform item (including sweaters and fleeces) from the uniform bank up to THREE times during the 2013-2014 school year. After the third time, students will call home with the expectation that someone will bring the required uniform item to school. The student will wait in APAD until the uniform item is received. If no one is available to bring the needed item, the student will remain in APAD for the remainder of the day. Students who have borrowed from the uniform bank and have not returned the item borrowed, will no longer be allowed to borrow from the uniform bank until the item is returned.
