Additional Important Information:

*In an effort to ensure the health and safety of all FSD 145 students, and ensure immediate compliance with state law and Illinois School Code, FSD 145 has established **“First Day Exclusion.”** Under Board policy 7:100, students will **not be admitted** on the first day of school, **August 24, 2021**, if they do not have the required Illinois physical and current immunizations on file. Parents must be sure their child’s physical is complete and includes details of the child’s health history.*

*Therefore, before reporting to school, all FSD 145 students in grades **K, 6, and 9**, or students entering school for the first time (regardless of grade) must have **proof of a complete health examination and up-to-date immunizations** on file.*
