

SUMMER LEARNING

Keep learning all summer!

We are thrilled to invite you to participate in our **Summer Learning Bingo** challenge for students in grades K-6!

These engaging activities are designed to keep our young learners active, curious, and connected with their learning throughout the summer.

How do I participate?

- **Bingo Cards:** Each student will receive a Bingo card tailored specifically for their grade level. Activities range from reading under a tree to building forts and exploring nature!
- **Initials for Completion:** Parents and guardians can initial over the box for each activity completed, making it easy to track progress.
- **Weekly Challenges:** Activities are organized by week, so students can focus on completing tasks from June 1 to June 30.
