Clothing must cover all appropriate areas at all times. Appropriate areas include stomach, chest, butt, back, and upper thigh areas. Pants need to be secured at the waist or hip level. Ripped jeans on the upper thighs must have leggings underneath.

Shirts must have sleeves. Sleeves are defined as material past the shoulder seam of a shirt. Underclothes/undergarments worn in an exposed manner are unacceptable (Includes, but not limited to bras, underwear, and boxers.)

Students cannot wear anything that includes hate speech, images, or language that creates a hostile or intimidating environment for others, including any protected class or marginalized group. Hate speech includes any form of expression through which speakers vilify, humiliate, or incite hatred against a group or a class of persons on the basis of race, religion, skin color, sexual identity, gender identity, ethnicity, disability, immigrant status, or national origin (adapted from the American Library Association).
