

Student Google Password Change

Students are encouraged to change their password away from the default settings. This will change the student's password for any Chrome applications, including Chromebook logins.

Option 1:

1. Click the following link:
<https://myaccount.google.com/intro/signinoptions/password?hl=en-US>
2. Enter your existing password.

Google

Hi

To continue, first verify it's you

Enter your password

Show password

[Forgot password?](#) **Next**

3. When prompted, enter your new password.

← Password

Choose a strong password and don't reuse it for other accounts. [Learn more](#)

Changing your password will sign you out on your devices, with some exceptions.

New password

Password strength:
Use at least 8 characters. Don't use a password from another site, or something too obvious like your pet's name. [Why?](#)

Confirm new password

Change password

Option 2:

1. Click your profile photo in any Google product.
