Schoology Tips:

- Students should be looking in each class, not just on the summary page for assignments due. Teachers post videos and lessons in the class that don't appear on the summary page.
- Students can check their missing assignments in Schoology under the 'Grade' tab.
- Students should check Schoology each day for class assignments. Every FHS student "goes to school" 5 days a week even if they are only in-person for 2.
-

SENIORS: If you missed the September SAT test, the makeup test will be on Tuesday, October 27th.
