

Student Transfer Request

Directions: Board Policy 730, states that all students shall attend the school where they reside. If a parent wants to request that Freeport School District consider a student transfer to a school not within the area of attendance this form must be on file. **Proof of residency must be on file.**

The enrollment center will communicate the decision to the requestor and the principals. **Transportation will not be provided unless** there is an existing bus stop along an existing route with room available at the serving the school.
