

Remote Learning Activities for High School PACC & LIFT

Dear Students, Families, and Friends,

The activities on the next several pages were created for you to sharpen your skills, challenge yourself, and explore learning. These are not meant to replace classroom learning and parents are not being asked to replace teachers. If at any time, you are confused about an activity, need some extra support, or maybe just need to talk with someone, our teachers and staff are here for you.

- All teachers keep regular office hours from 9am until noon each school day.
- All teachers and staff can be contacted by email: esther.paspula@fsd145.org, jessica.holbert@fsd145.org, kaylyn.erickson@fsd145.org
- Some teachers also use Remind, Schoology, or Google Classroom to send and receive messages.

For the most current information about our emergency closure and remote learning plans, please visit our website (<https://www.fsd145.org/emergency>) for regular updates. You will always find information sorted by date, so it should be easy to follow the most recent updates.

Take care and stay safe. We'll see you soon

From all of us here at Freeport School District

Remote Learning Activities for High School PACC & LIFT Grades 9-12

Date 5/21/2020

	Math	Reading and Writing	Science	Social Science	Transition
