

FSD145 SICK BANK

The FSD145 Sick Bank is voluntary. The intent of the bank is to provide access to extended paid sick leave in the event a participating employee suffers a catastrophic illness or incident such as cancer or heart attack, or is required to undergo major, non-elective surgery. Employees may join within 30 days of employment or during open enrollment which is held every two years. If I choose not to join at this time, I understand enrollment will be closed until October 1, 2023.
