

5/7/20

Dear Students, Families, and Friends,

The activities on the next several pages were created for you to sharpen your skills, challenge yourself, and explore learning. These are not meant to replace classroom learning and parents are not being asked to replace teachers. If at any time, you are confused about an activity, need some extra support, or maybe just need to talk with someone, our teachers and staff are here for you.

- All teachers keep regular office hours from 9am until noon each school day.
- All teachers and staff can be contacted by email jessica.holbert@fsd145.org kaylyn.erickson@fsd145.org esther.paspula@fsd145.org .
- Some teachers also use Remind, Schoology, or Google Classroom to send and receive messages.

For the most current information about our emergency closure and remote learning plans, please visit our website (<https://www.fsd145.org/emergency>) for regular updates. You will always find information sorted by date, so it should be easy to follow the most recent updates.

Take care and stay safe. We'll see you soon,

From all of us here at Freeport School District

**Remote Learning Activities for PACC,
Grades 9-12
PACC - May 7**

	Math	Reading and Writing	Science	Social Science	Transition
Activity Title:	Bank On It: Addition	Journal Writing	Getting Rid of Germs	Rules and Responsibilities	What Are My Goals? Pt. 1
Objective:	Students will be able to solve addition problems.	Students will be able to write 3-4 complete sentences.	Students will be able to identify how germs are spread.	Students will identify rules and responsibilities they have at home.	Students will identify short term and long term goals.
Materials:	Pencil, Paper	Pencil, paper	Glitter, water, bowl, pencil, paper	Pencil, paper	Pencil, paper
Activities and Instructions:	<p>Solve the following problems</p> <p>6+1= 7+3= 11+4= 14+2= 68+21= 41+35=</p> <p>(SSE.A.1)</p>	<p>Write 3-4 complete sentences with capital letters, correct spelling, and correct punctuation.</p> <p>Prompt: What one job would you like to do the most?</p> <p>(W.11-12.10)</p>	<p>Talk about how germs are spread. Glitter or something that will stick to hands will be the germs. Have students touch the table, shake hands with someone in the house and record the results.</p> <p>(PS1-3.)</p>	<p>Make a list of rules and responsibilities that should be followed at home.</p> <p>Ex: wake up, shower, chores, meals, etc.</p> <p>List of items to do each day</p> <p>(2C.5a)</p>	<p>Students will write down a short term and/or long term goal in the following 3 areas: job, personal life and where to live.</p> <p>(W.11-12.10)</p>

Every Day: Read for 10 minutes either independently or with an adult or sibling. Write one sentence about the main idea of your reading. (RI.9-10.1)

Parent Signature: _____

Be sure to check activity plans for any specials the student may have (PE, music, art).
